CITIZEN'S POLICE ACADEMY

The Concord Police Department will be hosting a Citizen's Police Academy starting on April 2, 2014. This will be a 10-week program taking place on Wednesday nights from 6:00 PM to 8:00 PM. Applicants who are accepted can expect an informative session examining all the duties of the Concord Police Department. The program will consist of classroom instruction, demonstration, and trips to other organizations who are involved with the department and community. Applicants will also have the option to participate in a police ride along and/or a sit-in with the dispatch center.

During the Citizen's Police Academy, the participants will be exposed to the glamour and excitement they associate with police work, along with the processes that are less glamorous, but vital to the day-to-day function of the Department.

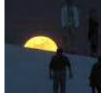

Upon completion of the course, it is our hope that not only will participants have a better understanding of the police profession, but that they might have an interest in contributing to the community by volunteering.

More information regarding the program, including a syllabus and application materials, are available at www.concordnh.gov/police.

serve the full moon. Then participants will take a moonlit hike throughout the fields and woods at the Orchard, followed by hot chocolate and cookies to warm up. Participants should dress warmly and bring a headlamp or flashlight.
